

Product Certified

Formaldehyde Emission Classifications

The Engineered Wood Products Association of Australasia Ltd. certifies that

Carter Holt Harvey - Tokoroa

Private Bag, TOKOROA

Mill Number 911

manufactures the following products which continue to satisfy the EWPA Quality Control Policy and Specific Rules for Certification with regard to formaldehyde emission. This is based on a rolling three monthly average of laboratory test results complying with the limits specified in the relevant standard.

Product	Standard	Bond Type	Class
Plywood	AS/NZS 2269 Plywood Structural	A Bond	Super E0

Simon Dorries
EWPA General Manager
Date of Issue : 11-Aug-11

Classification Limits - Super E0 <= 0.3mg/L, E0 <= 0.5mg/L, E1 <= 1mg/L, E2 <= 2mg / L.

The Super E0 classification is an industry limit and does not appear in any Australian or New Zealand Standards. This certificate is valid on the date of issue. This certificate must not be reproduced except in full. To view the current list of EWPA certifications held by this organisation, please visit the EWPA's on-line register at <http://www.ewp.asn.au/register>.
